An exciting jungle river boat ride up the Northern River to the village of Bomba, a place for gorgeous wood carvings. Enjoy seeing the diverse Belizean Countryside and local villages as you travel along the Pan-American Highway to Orange Walk where you will resume another jungle river ride. Along the way, you will see a Mennonite Settlement. Your travel culminates at the Ancient and Largest Mayan Ruin where you can visit the museum and enjoy the panoramic view of untouched jungle, Maya mountains and the New River Lagoon while photographing intricate Mayan Carvings. Your jungle tour ends with a short walk through each temple. You are sure to see native wildlife at its very best during this memorable tour.

ZIPLINE & CAVE TUBING

US\$236.00 PER PERSON INCLUDES ALL TRANSFERS, EQUIPMENT, LUNCH and REFRESHMENTS (Entrance fee not include)

depart San Pedro at 7:00 am by boat and return at 5:30 pm.

Zip Line technology borrows heavily from that used of rock and mountain climbing, and features a double line with redundancy to provide a safe environment for the users. Being the first Canopy tour in Belize, our line is built to standards approved by the Association for Challenged Course Technologists.

Upon arrival you will be given a safety briefing and outfitted with safety gear that includes a harness system, helmet and gloves. The tour starts off with a short hike up to the first platform which will take you over eight platforms, each with two of our experienced guides who will explain the different areas of the ecosystem you are experiencing. Along the way you will enjoy many beautiful views of our pristine ecosystem. When you arrive to the last platform you will then need to repel to the ground. The tour will take approximately two hours.

The cave tubing adventure begins at the front of the hotel where the guide will give you a brief explanation of the tour and give you your equipment. You will first cross the clear blue Caves Branch River and hike through the jungle led by the guide who is fully knowledgeable, and who will point out flora and fauna along the way. He will also answer any questions that you may have. After about an hour you will get into the river with your inner tubes and begin the ride through 5 cave tunnels back to the originating point. Along the way you will be able to see the stalagmites and stalactites that the cave system has. Also, as you tube, you will be able to go further into the cave and view small rooms that were once used by the Mayas that have beautiful formations.
